

MANIFESTATION AFFIRMATIONS

Here and now is where I manifest my desires

I can have everything I want with ease

My mind work things out for me

I am the master/mistress of my fate and I choose

Nothing external has power over me

I live in abundance with finances, happiness, and my love life

Everything works out perfectly to create my dream life

Stepping out of my comfort zone is something I truly enjoy

I am surround by positive and genuine people who help and encourage me to achieve my goals

Every day I am moving another step forwardf towards my best life

Negative self-talk and limitations are things of my past

I am worthy of all the love, abundance, success and happiness I desire

Taking inspired action is my second nature

I am the creator of my life and the architect of my fate

The universe has conspired to deliver me everything I need

I am confident in my ability to manifest everything I ask for

Whatever I need, I manifest at the right time and in the right quantity

I follow my intuition and it always leads me along the right path

My total dedication to my wellbeing manifests my best possible life

The belief in my success in life becomes stronger and stronger

I am planting the seed of my desire and the universe makes it blossom

Practising gratitude and calming my mind helps me achieving my goals

I am seeing all problems in my life as already solved

There is nothing on this planet I can not have

I am making my future dream a present reality.
