

Affirmations for positive energy

Today, I'm gonna be the best possible me

I'm perfect the way I am

I trust myself to do the right thing day in, day out

My positivity that makes my life great

I'm looking forward to the new day

My positive mindset is the key to my happiness

It's my birthright to feel good

I see the good in every situation

Compassion washes away my fears and anxieties and replaces them with love

I choose joy over anger and rejoice over my decision

Feel self-pity is something I surpassed a long time ago

I have many talents which I begin to utilize today

It's easy for me to make the right choices in life

**Even in bad situations I'm the bright star that let its light shine
on others**

I trust my gut-feel and intuition

**Bad situations are just temporary and will work out for my
highest good**

I possess the qualities needed to be successful in life

Today, I let my positive energy glow and overflow it with joy

I am superior to negative thoughts

Step by step I walk on the path towards the best life possible

My potential to succeed is infinite

I radiate joy and happiness and send that out to all sentient beings

Possible upcoming obstacles are a way to learn and become a better version of myself

Everything I need to live my life to the fullest is already in my possession

My heart is at peace with all that has happened, is happening, and will happen

I am confident and speak up if I feel not good about something

Even outside my comfort zone I feel comfortable in my skin

I can feel happy for other people success

Positivity is a choice that I actively choose

I respect myself and others show me respect as well

Other peoples negativity has no effect on me

I commit myself to happiness

People love me for who I am

I'm like a diamond and my time to shine has come

My life is pure joy and it gets better every day

I have faith in myself to master everything life thows at me

It's easy for me to distance myself from negative people

I accept nothing but the best because I deserve it

The achievement of my goals is getting closer to completion

I choose to see the light that I am to this world

**All answers are right before me and they will unfold to me at
the right time**

I fully approve of who I am, even as I get better

For me, everything is possible

I am a man/woman and a master of my own

My calm spirit will support me in all my future endeavours

The background is an abstract, textured composition of colors. It features a mix of muted blues, greys, and earthy golds, with visible brushstrokes and a slightly grainy texture. The colors are layered and blended, creating a sense of depth and movement.

I show my self-image in full confidence to the world

**Negative thoughts are like clouds, they pass me by but I don't
give them any power**

I embrace the rhythm and the flowing of my body and soul

Benevolent energy flows through me while I sleep

Tomorrow is gonna be even better than today
